

W-12VDC-8P13A-4K UL

8 channels of DC power supply for 4K/8M CCTV

FEATURES:

- 8 channels of DC power supply for 4K/8M CCTV
- 12Vdc 1.625A per channel
- Smart Voltage Knobs: A Solution to the Voltage Drop Problem
- Achieving Exceptional 4K/8M-Resolution Image Quality Through Our Noise-Free Circuits Design
- Over Current/ Voltage, Short Circuit , 6 KVA Surge protection

Benefits of Choosing Our 4K/8M DC Power Box for Your Surveillance Needs

A. Achieving Noise-Free Design for Optimal 4K/8M-Resolution CCTV Image Quality

Normal DC Power Box (poor 4K video image with noise)

Winic 4K/8M DC Power Box (noise-free 4K video image)

B. Ensuring Optimal Power Supply for Your CCTV Cameras: Solving the DC Voltage Drop Problem
